¹ Negative refusal rates result from more refusals being overcome in a given year than refusals made in that year. This can occur because applicants who were initially refused in one fiscal year can overcome that refusal and be issued a visa in a subsequent year. For an explanation of how refusal rates are calculated, please see: http://www.travel.state.gov	
² Does not include Border Crossing Card applications	
³ Serbia And Montenegro - Bearers of Serbia and Montenegro Passports.
